BULLETIN OF ROTARY CLUB OF MADRAS COSMOS

From the President's Desk

Dear Rotarians,

December was a festive month for all of us. The last month of the year is a good time to think about what we have done in that year and what we have accomplished.

The celebrations of religious festivals and the New Year are opportunities to freshen our mind. The celebrations stay with us long after they are over and provide the motivation and enjoyment needed to take on the tasks of the next year.

This month the club had several speeches from our members on Kannadasan and astrology. We also elected our President for 2013-2014. More details in this month's bulletin. Read on to find out.
