Public Relations

Dear friends and Rotarians,

It is my great pleasure and pride to serve as the 20th President of the much respected club, Rotary Club of Madras Cosmos.

I joined in Rotary in year 2007 and from the very beginning it has made a positive impact on me. I believe that "who I am" is defined by "what I do" and the service through Rotary has enabled me to define myself.

As the Theme of this year "Reach within to embrace the humanity" describes, This Rotary year is going to be more of a spiritual year. Worshipping is the way to Reach within, By worshipping through service we can reach within. Once we have reached within we will get the spiritual alignment in us. Once we get the alignment we can do anything and everything we want. With that state whatever we do becomes good for us and people around us.

We are going to increase membership and funding to improve and strengthen the club. I have discussed this with our Board of Directors and members and with their support we shall bring out positive changes. We will have sustainable programs that continue year after year by acquiring funding in new and novel ways.

We plan to promote the Fund raising Project RotariansNetwork.com to reach more Rotarians and public, Our actions will attract more members to Rotary as well to raise Funds.

We also have plans to improve the functioning of the club and pleased to mention as we are one of the first ISO 9001:2008 certified Rotary club in the world.

We will have eminent speakers regularly and weekly inter-club and intra-club meetings are planned. Family participations, Outing are also on the plan.

I appeal to you all to contribute more and more to Rotary Foundation. As Giving to the Foundation is giving to God's hand.

I welcome you all for a Wonderful Rotary year 2011-12 with full of Fun, Friendship and Service, Together Towards we can achieve anything, Lets do the Service as Worship to Reach within to Embrace humanity.

With Lot of Love and Care from

Rtn Er. J Sampath
